

## ARE YOU AN ENGLISH TEACHER? JOIN GRETA!

As a professional association, we try to cater for teacher training needs at all educational levels and in all sorts of different teaching contexts.

Right now we are especially concerned with Bilingualism, CLIL and active methodologies, ICTs and their use in the ELT classroom and ELT in general. We have a major teacher training event each year and we also organise one day events and take part, together with other institutions, in various events related to ELT. We organise TRINITY exams for teachers too. We support initiatives and collaborate with other Associations throughout the country.
